Summer 2009 Application

Dear Camper:

One of my dreams as Artistic Director of the Alvin Ailey American Dance Theater in New York City is to turn young people on to dance. That is because when I was young, I discovered that dance could be a great outlet. It helped me find out what my strengths were, and showed me what kind of person I could become.

This summer, I would like to see you along with several youths in Miami, experience the excitement of AileyCamp. In addition to learning dance, you will also enjoy activities, fieldtrips and art making.

If you can walk, run, and jump, you can dance! If you want to build a stronger body, become a better dancer, have a great time with your friends, and make new ones; AileyCamp Miami is for you! So, take this application home and discuss your interest in AileyCamp Miami with your parent or guardian.
