The Adrienne Arsht Center for the Performing Arts of Miami-Dade County to premiere new live theater initiative

THE BUSY BEES' GREAT ADVENTURE

Made-in-Miami musical to educate third, fourth and fifth graders about environmental conservation

Premiering October 2-13, 2023

Miami, FL – September 27, 2023 – The Adrienne Arsht Center for the Performing Arts of Miami-Dade County ([@arshtcenter](https://www.arshtcenter.org)) is buzzing about the new addition to the Center's Learning through the Arts program – **THE BUSY BEES' GREAT ADVENTURE**. Featuring all Miami-based creatives and cast, the original new musical centers around time-traveling, hip-hop performing honeybees on a quest to save the planet. 30,000 Miami-Dade elementary school students will be invited to experience this live theater initiative, for free, at the Arsht Center while learning about the importance of environmental conservation.

THE BUSY BEES' GREAT ADVENTURE premieres October 2-13, 2023 with two weeks of performances for schools at the Arsht Center. The storyline follows four honeybees on a quest to save the planet once they learn about the threats to the environment, including their own possible extinction, and what actions can be taken to prevent our planet's destruction. The show is envisioned as an engaging lesson in environmental literacy, a topic close to home for Miami children who live in one of the most susceptible areas in the country. For most students, this will also be their first live theater experience at their local performing arts center. Everything, including the transporting of students to the Arsht Center, is provided free to Miami-Dade County Public Schools and students through the generosity of Arsht Center supporters.

The show will be accompanied by state-aligned, arts-integrated curriculum created by a collaborative team from the Arsht Center and Miami-Dade County Public Schools (M-DCPS). The Center will **host free teacher workshops to share the curriculum** with elementary school educators from across Miami-Dade County – enabling teachers to carry excitement from the theater production back to the classroom.

This original new work was commissioned by the Arsht Center, written by Miami-based playwright Ashlee K. Thomas with music by Nico Raimont and is directed by musical
