Headshot
VIDEO VIA UNLISTED YOUTUBE LINK	2 Audition Videos- Video 1: Perform a solo (32-bar cut) from the qualified lead role you played in your adjudicated high school musical. Video 2: Perform a solo (32-bar cut) of a musical theater ballad OR musical theater, up-tempo piece of your choice	5-7 minute Recorded Zoom/video presentation featuring students involved that summarizes the design development and execution process. Detail considerations for unifying all show elements including influence of script and director. Outline challenges, safety considerations and adjustments made during the process. Include supporting audio/visual elements.	5-7 minute Recorded Zoom/video presentation featuring students involved that summarizes the design development and execution process. Detail considerations for unifying all show elements including influence of script and director. Outline challenges, safety considerations and adjustments made during the process. Include supporting audio/visual elements.	5-7 minute Recorded Zoom/video presentation featuring students involved that summarizes the stage management plan. Detail considerations for safety and adjustments made during the production process. Include a two minute video of Student Stage Manager calling the show.	Make a video in the style of an Instagram Reel/TikTok video showcasing your ideas for how to share nominee experiences on the day of the ceremony and encourage the Jimmy Awards' social media followers to tune in to the ceremony livestream. Then, write a sample caption to accompany your Reel/TikTok video. Technical requirements can be found at https://www.jimmyawards.com/p/aticipation/student-reporter-search/
ADDITIONAL PDFs	Sheet Music: Attach the piano/vocal score for the full song (not just the 32-bar cut) featured in both videos. If the qualifying lead role you played performs more than one solo in the musical, please attach all other piano/vocal scores for those songs. Videos should showcase your audition abilities. Do NOT submit video from a fully staged or costumed production.	3 Documents detailing design planning and execution (example: costume plots, props list, scenic sketches, etc.)	3 Documents detailing plans for technical execution (example: mic plots, lighting plots, etc)	3 Documents for managing the production and process (example: Bulleted list of stage manager duties, props list, scene change assignments, calling script, rehearsal schedules, etc.)	1 page essay written in the style of a entertainment article or press release
