

General Maintenance Engineer

The Adrienne Arsht Center for the Performing Arts of Miami-Dade County is seeking an experienced, skilled and highly motivated General Maintenance Engineer to support the Senior Director, Engineering and Engineering Supervisor.

FLSA status: Full-time, Non-Exempt

About the Adrienne Arsht Center for the Performing Arts of Miami-Dade County

The Arsht proudly serves as the cultural pulse of Miami – the heart of magical live arts experiences that spark the imagination and connect people to one another. Whether on our stages or in your neighborhood, the Arsht is alive year-round with international artists, innovative programming from [resident companies](#) and local arts partners, free community events that reflect Miami's unique identity and more than 100 culturally diverse and impactful learning experiences for 80,000 children every year.

Since opening in 2006 in the heart of downtown, the Arsht, a 501(c)(3) non-profit organization, has been recognized as a leader in the city's cultural transformation, a catalyst for billions of dollars in new development and a host venue for historic events. The 300+ annual Arsht events include a robust series of touring Broadway musicals direct from New York, star-studded jazz and classical music concerts curated for South Florida, a major annual Flamenco Festival and an award-winning Miami-based theater program. In addition, Family Fest, Gospel Fest Miami, Art + Mind Day, Heritage Fest and our LGBTQ+ Pride celebration are among dozens of free events that bring people from all corners of our community together. Basic Function

Reporting to the Engineering Supervisor this position will have a strong focus on plumbing and painting. This position is responsible for maintaining, troubleshooting, and repairing plumbing systems as well as preparing and painting surfaces and installing drywall to maintain the Center's appearance. The ideal candidate will have hands-on experience in both plumbing and painting.

Responsibilities

Plumbing:

- Install, maintain, and repair plumbing systems, including pipes, valves, drains, and fixtures.
- Diagnose and resolve plumbing issues such as leaks, blockages, and water pressure problems.
- Ensure compliance with plumbing codes and standards during all installations and repairs.
- Perform preventative maintenance on plumbing systems to reduce the need for emergency repairs.

Painting:

- Prepare interior and exterior surfaces for painting by cleaning, sanding, and repairing any imperfections.
- Installing drywall
- Ensure the quality and appearance of painted surfaces are professional and meet aesthetic standards.
- Perform touch-ups and repairs to existing paintwork as needed.

Required Qualifications:

- Must have a minimum of three years of experience in plumbing and painting.
- High School diploma or GED equivalent and the ability to read and write English.
- Strong knowledge Microsoft Office and Office 365.
- Must be able to work a flexible work schedule including nights, weekends, and some holidays.
- Must have the ability to work independently, plan effectively and prioritize
- Eligible to work in the U.S.

Desired Qualifications

- Associate's degree in relevant field
- Experience in minor electrical repair, carpentry, paver replacement or concrete
- Post high school vocational or trade school training in electrical repair, carpentry or construction.
- Minor electrical, concrete work, minor carpentry, paver replacement
- Bi-lingual

Personal Characteristics

- Strong problem solving and analytical skills
- Great leadership skills and work ethic
- The ability to multitask and work well under pressure
- Excellent teambuilding skills
- The ability to communicate effectively

Physical Demands

- While performing the duties of this position, the employee is frequently required to stop, reach, stand, walk, lift, pull, push, grasp, communicate, and use repetitive motions.
- While performing the duties of this position, the employee may frequently lift and or move 50 pounds of materials.
- While performing the duties of this position, the employee may frequently climb and work from a ladder or lift and/or work in confined spaces.
- The position requires the individual to meet multiple demands from multiple people and interact with the public and other staff.
