Set in the intimate Carnival Studio Theater at the Arsht, the Amazing Max is an interactive magic show with a mind of its own. What's truly amazing is not only what happens onstage but also what happens in the audience. The enchanted look that spreads across the faces of young (and not-so-young) fans as magician Max Darwin works miracles is hands-down astounding.

Operating from the principle that "every show is unique because every child brought to the stage is unique," Max conjures an experience that young ones will carry with them long after the show ends.
