

General Maintenance Engineer

The Adrienne Arsht Center for the Performing Arts of Miami-Dade County is seeking an experienced, skilled and highly motivated General Maintenance Engineer to support the Senior Director, Engineering and Engineering Supervisor.

FLSA Status: Full-time, Non-Exempt

About the Adrienne Arsht Center for the Performing Arts of Miami-Dade County

The Arsht proudly serves as the cultural pulse of Miami – the heart of magical live arts experiences that spark the imagination and connect people to one another. Whether on our stages or in your neighborhood, the Arsht is alive year-round with international artists, innovative programming from [resident companies](#) and local arts partners, free community events that reflect Miami’s unique identity and more than 100 culturally diverse and impactful learning experiences for 80,000 children every year.

Since opening in 2006 in the heart of downtown, the Arsht, a 501(c)(3) non-profit organization, has been recognized as a leader in the city’s cultural transformation, a catalyst for billions of dollars in new development and a host venue for historic events. The 300+ annual Arsht events include a robust series of touring Broadway musicals direct from New York, star-studded jazz and classical music concerts curated for South Florida, a major annual Flamenco Festival and an award-winning Miami-based theater program. In addition, Family Fest, Gospel Fest Miami, Art + Mind Day, Heritage Fest and our LGBTQ+ Pride celebration are among dozens of free events that bring people from all corners of our community together. Basic Function

Reporting to the Engineering Supervisor, this role specializes in painting and carpentry, with a focus on maintaining the facility’s appearance and structural integrity. The position is responsible for performing carpentry work, installing drywall, preparing surfaces, and delivering high-quality painting throughout the Center. The ideal candidate will bring hands-on expertise in painting, drywall, and general carpentry, with strong attention to detail and craftsmanship.

Responsibilities

Painting

- Prepare interior and exterior surfaces for painting by cleaning, sanding, repairing imperfections, and completing drywall installation, patching, and finishing as needed.
- Apply paint and finishes to achieve a high-quality, professional appearance that meets established aesthetic standards.
- Perform touch-ups and repairs to maintain existing paintwork and overall facility appearance.

Carpentry

- Perform general carpentry work, including repairing, building, and installing structures such as doors, frames, cabinets, and trim.
- Measure, cut, and assemble materials according to specifications and project requirements.
- Repair damaged woodwork and structural components as needed.
- Ensure all carpentry work meets safety standards and quality expectations.

Ideal Experience

- Must have a minimum of three years of experience in painting and carpentry
- High School diploma or GED equivalent and the ability to read and write English.
- Strong knowledge Microsoft Office and Office 365.
- Must have the ability to work independently, plan effectively and prioritize
- Must be able to work a flexible work schedule including nights, weekends, and some holidays.
- Eligible to work in the U.S.

Desired Qualifications

- Associate's degree in relevant field
- Post high school vocational or trade school training in electrical repair
- Must be able to speak English

Personal Characteristics

- Strong problem solving and analytical skills
- Great leadership skills and work ethic
- The ability to multitask and work well under pressure
- Excellent teambuilding skills
- The ability to communicate effectively
